

"THE WINNERS" 1960/61

Badminton

Local league presentations

THE Sutton and District Badminton league challenge match between St. Patricks (Wallington) and South Beddington at the Rosehill Central Hall on Friday last week was closer than the final score of 12 games to six suggests.

South Beddington who were the league division II champions in this their first season, finally gained a deserved victory over the division I champions because of their greater versatility.

During the course of the evening, Mr. Les Bottomley, captain of Carshalton B.C., presented the trophies to the winners of the respective divisions.

No wonder these 13 badminton enthusiasts are smiling. The back row are members of the St. Patrick's (Wallington) team which has won the Sutton and District Badminton league, division I, and in front of them is the South Beddington team which won the second division. On the extreme right in the back row is R. A. Hurley, non-playing captain of South Beddington.
